**As the Temperatures
Fall, Our Homeless
Neighbors Need
Socks**

It's winter, it's cold, and wet socks for those out in that cold can lead to frost bite and other complications.

Homeless people have said in surveys that one of the things they appreciate most is clean socks to help keep their feet warm.

While you're checking out the after Christmas sales, pick up a pair or two of new white athletic socks and place them in the basket in the narthex.

They'll be delivered to Interfaith Action.

Many thanks!
