Your Gifts and Talents are needed!

As we move into the slower months of the summer, we are already making plans for fall and beyond and a number of our committees need your wisdom. We are looking both for people who are willing to be part of the visioning and planning that comes with committee membership and the less-time consuming, task-oriented work of serving on a team. We have particular needs on the Membership, Communications/New Media, Stewardship, Adult Education and Personnel Committees and on a number of worship- and fellowship-related teams. If you are interested, contact Pastor Michael or Pastor Jessica (see contact info below)!

The farmers' markets are full, but many can't afford their healthy offerings. CHANGE HUNGER by dropping your change in the plate!

So that all experience worship more fully, thank you for silencing your cell phones before the service begins.

The Deacon's BackPack Project 2017!

Northminster has established a great tradition of helping Evanston's school-aged children begin their year ready to learn, and we need your support to continue this mission. The Deacons are once again leading our congregation in the Backpack Project, through which 25 local students receive a backpack filled with the required school supplies they could not otherwise afford.

Please consider contributing to this important project. Donations of any amount are appreciated and will have a significant impact, since it now costs about $75 to meet the needs of a single student. Deacon Bob Wooldridge will be collecting contributions during Coffee Hour from now until July 23rd. For information, call Bob at 847.778.3090.

The Cranes Are Coming!

This October, for World Communion Sunday, we will be seeing hundreds of Peace Cranes take flight in the sanctuary. If you have experience making Origami peace cranes and can help teach others, contact one of the Pastors. We will be hosting MANY opportunities to make and string cranes!
