

A Place to Be Fed, A Chance to Feed Others

Even with incredible advances in technology and productivity, the demands on our time today are as great, if not greater, than they have ever been. The devices we carry give our employers, families, friends and marketers almost unfettered access to us 24/7.

Your pastoral staff understands that carving out time for family, careers, the relaxing pastimes that relieve the stresses of daily life, relationships that nurture us, community involvement, and church engagement is a juggling act that requires grace, fortitude and prayerful discernment.

So many of you have given and continue to give so much to help Northminster proclaim and live the Gospel of Jesus Christ in our community, our nation, and the world, we are constantly awed and endlessly grateful. Our prayer is that in serving Christ and his church, we all grow closer to God and one another, fed spiritually and emotionally. In these last three years we have seen great fruits of our & God's labors, and our need for volunteers, leaders, and strategic thinkers has grown.

If you are still discerning where your gifts and time might best serve, or you have stepped away from prior involvement for well-deserved (and now completed) rest, know that there is great need for you, your talents, and your time here. We invite you to contact one of us to talk personally about where your gifts and the church's needs might both best come together.

Peace, Pastors Michael and Jessica

Spring brings the promise of visits to Farmer's Markets for some, yet many struggle to afford fresh produce. You can CHANGE HUNGER for them with your coins!

In consideration of the entire worshipping community, please silence your cell phones and other devices before worship begins. Thank you!

Palestine: Unlimited exhibit ends today!

Today is your last chance to view the award-winning photography exhibit by students at Dar al-Kalima University, sponsored by Bright Stars of Bethlehem. The exhibit, which has been traveling throughout the upper Midwest for many months, has been an effort to open a window into daily life for those living in the Palestinian territories.

The Worship, Music and the Arts Committee thanks you for your attention to the exhibit and the adult education events it motivated.
