Sunday School Book Drive, May 7th to 14th

Please bring in an old, gently used book to benefit the Erie Family Health Center's "Reach Out and Read" program. This program is valuable in promoting reading by giving a free children's book to all families that visit the health center. Parents are encouraged to read the book to their children as many of these children do not have books of their own.

This is the second year our Sunday School has joined the Northminster Nursery School in this book drive. Last year we donated more than 500 books. You can drop off books in the bins located in the narthex and at the chapel entrance from May 7th through May 14th. Thank you!

Northminster Library Book Fair, May 14th

Help to expand Northminster's Lovelace Library. The Library Committee is working to make exciting changes in the library, including a new and improved children's section. Already they have new children's books ready to go on the shelves. To help fund this important project, congregation members are invited to buy a book and dedicate it to a loved one.

Stop by the library for this special book fair on Mother's Day before the worship service at 8:30 a.m. or afterward until noon. For more information, please email Meredith Rogowski at ce@northminpres.org.
