

POINSETTIAS

The Worship, Music and the Arts Committee invites Northminster members and friends to purchase poinsettias to decorate the sanctuary for Christmas. The cost of each poinsettia plant is \$15. After the Christmas Eve services, please take your plant home to enjoy it for the holidays. Those purchased by Northminster (and any others remaining after the services) will be delivered to people on the Deacons' home-visit list.

Contributors' names and their memorials/thanksgivings will be listed in the Christmas Eve bulletins, so below please **print clearly** and **circle** if it is **"in memory of"** or **"in thanksgiving for"** (please do not write other copy). Then return this form and your check to the special poinsettia basket on the volunteer desk in the church office **by Wednesday, December 6th**. Please do not put them in the offering plate. Thank you.
