

## STUMP THE PASTOR!

From August 6th through September 3rd, Pastors Michael and Jessica will present a return of the popular sermon series, "Stump the Pastor." Have you ever wanted the answer to a question about God or something that is described in the Bible...perhaps "Why didn't God let Moses enter the Promised Land," or "Why does God allow war?" Well, here is your chance. The pastors are letting YOU pick the sermon topic for these five weeks. Just write your question below and put it in the offering plate or just hand it to Pastor Michael. He and Pastor Jessica will pick five, including at least one, and hopefully two, prepared by the children and youth. It's more fun if you put your name, but anonymous submissions are permitted.
