

Something Old, Something New!

Beginning on Banner Sunday, September 11, Northminster will be switching to the Narrative Lectionary for the preaching texts until at least Pentecost of 2017.

Coupled with this “something new” we are inviting you to nominate your favorite old hymns to be used in worship in the coming weeks until Advent.

Use this form to nominate a favorite hymn. The only rules are that it has to appear in one of our two hymnals, Glory to God or Sing the Faith. You don’t have to include the hymn number in your nomination, but it would be helpful if you did!

Thanks for helping our Fall 2016 worship to be filled with Something Old and Something New!

I nominate:

Hymn Name:

Hymn #
