

Getting Ready for the New Thing God is Doing...

As we note today as the end of our program year, our various committees and ministries are spending time setting objectives for the next 12 to 18 months as a continuation of our Branching Out, Bearing Fruit visioning process. It's the perfect time to get involved! Talk with or email Pastor Michael who will help get you connected to the ministry team that best meets your interests and passions!

So that all experience worship more fully, thank you for silencing your cell phones before the service begins. Thanks!

Northminster Refugee Ministry 2016

Thank you for your generosity, and there is still help that is needed!

We've reached our initial minimum fund-raising goal and now we turn to preparations for the arrival of a family.

We are now awaiting the assignment of a family from RefugeeOne, our partner in co-sponsoring a family.

They work directly with the government in resettling approved families.
