Adult Education Today -- Citizen Christian: Part I

Join us today at 11:10 a.m. in the Guild Room to learn "How Protestant Christianity Changed Democracy." This is a two-part series led by Pastor Michael Kirby. (Part Two: "Gosh, the Constitution Sounds So Presbyterian" is November 12th.)

Ask most Americans about the impact of Christianity on our political system and they point to the era from the 1970s forward with the rise of fundamentalism and the threats to separation of church and state. But there is a much richer history of how protestant thought actually shaped many of the principles we consider secular ideas of justice, civil and voting rights, and even separation of church and state itself. Don't miss this important discussion today and Part II coming next month.

Where Are the Beautiful Peace Cranes?

Our colorful origami peace cranes had to fly off for a while because of a wedding that took place in the sanctuary yesterday.

However, like the swallows, they will be returning soon.

Until the beginning of Advent they will add color to our worship space and a reminder for us to continue to pray for peace.

Welcome Visitors!!

Please stop by the visitor table in the entryway for a gift and information about Northminster.

Then, come downstairs and join us for Fellowship Time in Logan Hall!
