

**Living our Faith
From Worship to Action
2:00 p.m.
Saturday, July 9th**

We will meet behind the Evanston Ecology Center, sing a song or two, offer some prayers and liturgy, and then help pick up trash in the park and along the North Shore Channel, giving thanks for the created beauty around us through praise and service. Won't you join us?

So that all experience worship more fully, thank you for silencing your cell phones before the service begins. Thanks!
