**Coming this Fall in
Worship!**

Today we finish the "Stump the Pastor" sermon series with a doozy of a question from Ben Perry.

Beginning next Sunday, we will start our second year of worshipping using the Narrative Lectionary, a new collection of Biblical texts collected by the Bible faculty at Luther Seminary in St. Paul, Minnesota. We will spend the fall (except for a guest preacher Sunday on Sept. 24th) journeying through the Old Testament in roughly chronological order, moving to the Gospel of John just after Christmas.

The Narrative Lectionary is designed to help us learn the Bible more effectively for application in daily life.
