

“Living the Word,” “Living Our Faith,” and “Living the Questions” Adult Education Programs Begin September 16th

This year, Northminster will offer three different kinds of Adult Education courses. “Living the Word” will be a weekly Bible study offered on Sundays after Fellowship Time. “Living Our Faith” will bring speakers on various social justice and faith topics at least once a month on Sundays during the same education hour. For those who cannot stay after worship for Adult Education time, an online discussion group, “Living the Questions” will launch the last week of September. More details on that course are coming next Sunday!

Please silence your cellphones as a courtesy to all who are worshipping today. Thank You!
