

Making the Bible and Faith Come Alive for Us Today...Join in Our Small Group Discussions!

As part of an ongoing commitment to be "Growing in Faith, Rooted in Love," Northminster has launched three different kinds of Adult Education courses and revamped our Thursday post ToGather conversations as well.

1. **"Living the Word"** is a weekly Narrative Lectionary Bible study on Sundays after Fellowship Time which continues today at 11:05 with Pastor Michael. Each week we are discussing the Narrative Lectionary texts in more detail and bridging the gaps between texts.
2. **"Living Our Faith"** will bring speakers on social justice and faith topics at least once a month on Sundays after Fellowship Time. **Lindsay Hammond of the Community Renewal Society will be here October 28th after Fellowship Hour** to share with us about efforts at Bail Bond Reform in Chicago and Cook County. More information is coming!
3. Our online discussion group, **"Living the Questions,"** has started strong! We are using the Nooma Video series and other videos for twice monthly online discussions. Our second video goes live LATER TODAY! Email Pastor Michael to get access to the lively discussion series. We've already discussed the parental image of God and the comforting idea that we are "yoked" with Jesus in life and service. Join us to find out what's next!

We are a congregation of the Presbyterian Church (USA), serving locally through the Presbytery of Chicago.

We are an inclusive community of faith.

As a member of More Light Presbyterians and the Chicago Coalition of Welcoming Churches, we invite all persons into our Christian worship and ministry.

Please silence your cellphones as a courtesy to all who are worshipping today. Thank You!

***Psssst...
Something a Little Different is Happening in Worship Today***

It's the first of our Hole-y Sundays for the youth, who will be enjoying worship from the balcony today, and sometimes munching on donut holes during the service.

But they may also be engaging the service in a new way as well. See if you can figure out what is motivating their liturgical movement throughout the sermon and other parts of the service today.
