

Join in Our Small Group Discussions as We Grow Our Faith and Our Understanding!

As part of an ongoing commitment to be "Growing in Faith, Rooted in Love," Northminster has launched three different kinds of Adult Education courses and revamped our Thursday post ToGather conversations as well.

"Living the Word" is a weekly Narrative Lectionary Bible study on Sundays after Fellowship Time which continues today at 11:05 with Rev. Dr. Elizabeth Hopp-Peters. Each week we are discussing the Narrative Lectionary texts in more detail and bridging the gaps between texts.

"Living Our Faith" will bring speakers on social justice and faith topics at least once a month on Sundays after Fellowship Time. **A representative of the Community Renewal Society will be here October 28th after Fellowship Hour** to share with us about efforts at Bail Bond Reform in Chicago and Cook County. More information is coming!

Our online discussion group, **"Living the Questions,"** has started strong! We are using the Nooma Video series and other videos for twice monthly online discussions. Our second video, "Name," is now live! Email Pastor Michael to get access to the lively discussion series. We've already discussed the parental image of God and the comforting idea that we are "yoked" with Jesus in life and service.

Join us to find out what's next!

Please silence your cellphones as a courtesy to all who are worshipping today. Thank You!
